

CLAN FARQUHARSON

A History

GEOFFREY FARQUHARSON

A history of the clan from its origins in the 15th Century through to the present day. Covers the genealogy of all branches of the Farquharson Clan and the role members played in local and national events.

Includes accounts of families who left Scotland and the contributions they made to their newly adopted homelands.

Other subjects include associated surnames (septs), Farquharson placenames, and Farquharsons in fictional works.

Includes a full transcription of the 1733 Broughdearg genealogical manuscript.
